

Write this down, it will save you money:

When the time comes to register or renew your boat registration you will get a Registration Renewal Notice from Guy Carlton, Tax Collector for Collier County. Even though you live in Collier County, IT IS NOT NECESSARY TO REGISTER YOUR BOAT IN COLLIER COUNTY. There is a big difference in the fees, which are set by each county. Call the Hendry County Tax Collectors office in Labelle, FL, 1-863-675-5280, and ask how much the registration fee will be for your boat (based on it's length). You can even use the same form you received from Guy Carlton. Just cross out the amount and write in the Hendry County amount and mail it to the Hendry County Tax Collector, P.O. 1780, Labelle, FL 33975. As an example, a 22 ft. boat in Collier County costs \$33.15. In Hendry County it costs \$23.90. Larger boats save even more money.
